

Welcome to the 26th Annual PA High School and Middle School Media and Design Competition

High School Competition 2025

The PA Association of Intermediate Units extends a warm welcome to you and all of your participants in this year's State Media and Design Competition. Those students who secured a first-place award at the regional level have now progressed to compete at the state level. Their achievement of first place is a testament to the exceptional quality of their work and considerable effort they have invested. Good luck to all of the competitors.

The PA Media and Design Committee extends its heartfelt appreciation to Elizabethtown College for graciously hosting this year's event. We are immensely grateful to all the judges, sponsors, and volunteers whose invaluable contributions make this event possible.
